

## Arts & Crafts Party

To start the party off each party guest will be provided with an apron!

They then receive a wooden keepsake box that they can decorate with a large variety of different coloured paints, pens, glitter, glue, stick ons & sparkly gems! These can be taken home to keep safe any favourite pieces of treasure or jewellery.

All children receive a wall canvas that they can do a fancy piece of art work on, to maybe hang on their bedroom wall or give to their parents / grandparents as a gift!

Lastly they will get a cotton shopping bag to design & decorate. We all need a re-usable shopping bag these days!!

Once they have had lots and lots of messy fun decorating their items and have eaten some scrummy food, they will go on to playing party games with a chance to win some great prizes. They also get chance to dance to their favourite music, with disco lights and our fun snow machine included. The children will break for food approximately 1 hour into the party.

### Food includes:

A selection of sandwiches, crisps, fruit, carrot & cucumber sticks, mini sausages, margherita pizza and a selection of cakes & biscuits to finish off with! Unlimited cordial will be provided throughout the party.

- The party will last approx. 2 hours
- The total cost based on 8 children is **£185.00**
- Each additional child (maximum of 15) is **£15.00 per head**

**Themed Arts & Crafts parties are also available depending on the theme required.**

**\*Please note there is a £20 fee for joint parties\***

Thank you!
