

Our slumber themed birthday party is a new, fun & unique party package created for girls from the age of 8-11 years.

All children must arrive in their favourite pair of P.J's. They can also bring their slippers & dressing gowns too if they wish. On arrival each party guest receives a glass of pink non-alcoholic champagne whilst they wait for everyone to arrive. They then go on to do face masks with fresh cucumber eye mask, jewellery making, blind folded make overs on each other and our favourite part, pillow case decorating! Each guest will receive their very own pillow case to decorate and get each party guest to sign to take home as a keepsake, so they will always remember the party. They will then break for food & the cake ceremony for approx 20 minutes and then go on to play some slumber themed games such as truth or dare, limbo, charades and many more to their favourite music with our onsite disco lights & snow machine!
